

Instructions for Filling Out Slide Entry Forms

1. You must fill out one slide entry form for each competition entered.
2. You are permitted a maximum of four slides which may be entered in one category or in any combination of categories. Please read the document *Rules for Color Slide Competitions* for more specific information.
3. On the slide entry form, please select the appropriate box under the category section as follows:

“F” Assigned topic photographed after the April meeting.
(2 points for entering)

“Asg.” Assignment - Taken from your archives, and fits the Assigned topic.
(1 point for entering)

“Gen.” General - Any subject, taken at any time.
(1 point for entering)

If you are still uncertain as to the proper method for completing the entry form, please contact one of the Competition Chairmen for further explanation. Improperly completed entry forms makes it very difficult for the Competition Chairmen to determine how the entries are to be judged.
